Liquor Code Provisions: Class B2 licenses shall authorize the retail sale of all alcoholic liquors, by the drink, for consumption on the premises only, subject to the terms, conditions, and restrictions of this and all other pertinent sections of this code. The holder of a B2 license shall not allow any person under the minimum entry age to enter into or remain upon the premises for which the license is held.

The total number of Class B1 and B2 licenses issued by the local liquor control commission will not exceed twenty (20) and currently fifteen (15) are issued.
