City Clerk's Office

Background:

Quatro Foods, Inc., d/b/a Quatro's Deep Pan Pizza is seeking Liquor Control Commission approval for substantial or material changes in operation in accordance with Carbondale Revised Code Section 2-4-14, "Changes in Operation" (see attachment). The business is seeking to expand into an adjacent storefront, requiring structural modifications, as well as the addition of entertainment to a licensed establishment including video gaming. Approval by the Local Liquor Control Commission is needed before these material changes can proceed. The attached request for approval provides additional details regarding the anticipated changes to the establishment.

Subject : 3.3 Application for a Temporary Liquor License from Carbondale Main Street for the CarbondALE Brew Fest on Saturday, May 3, 2025

Meeting : Mar 25, 2025 - Local Liquor Control Commission and Regular City Council Meeting March 25, 2025

Type : Action

Recommended Action : Approve the issuance of a not-for-profit Special Event

Retailer's license to Carbondale Main Street contingent upon receipt of outstanding items; or deny the issuance of the license based on one or more provisions of the Carbondale Revised Code

Public Content

Originating Department: City Clerk's Office

Background:

Carbondale Main Street submitted an application for a Not-For-Profit Special Event Retailer's License for the sale of alcohol during the CarbondALE Brew Fest on Saturday, May 3, 2025, at the Downtown Pavilion between 11:00 a.m. and 5:00 p.m. The application and event layout are attached to this agenda item. The applicant has applied for and been granted a license for this annual event many times. Additionally, the applicant applied for a Community-Oriented Event Permit for vending purposes.

Criteria for issuing or denying a liquor license per the Carbondale Revised Code:

The Commission may grant a liquor license, contingent upon receipt of outstanding items, if it is determined that the grant of the license would not be detrimental to the general welfare of the City. The Commission may deny an application if it finds one or more of the following:

1. The application does not contain all the information, supporting documents, or fees required by this title.
2. The issuance of the license would be in violation of any part of this title.
3. The applicant does not have sufficient financial assets to maintain the proposed liquor establishment or has demonstrated insufficient financial responsibility.
4. The applicant is a convicted felon who has not been adequately rehabilitated.
5. The issuance of the license can reasonably be expected to create excessive noise, traffic, parking, or litter problems.
6. The applicant has a history of problems with regard to violations of health regulations, laws, and ordinances at prior establishments owned or managed by the applicant.
7. The building in which the applicant seeks to operate does not meet building and zoning code ordinances and regulations.
8. The issuance of the license can reasonably be expected to create a nuisance such as excessive and repeated breaches of the peace.
9. The applicant has previously had a liquor license revoked or suspended in this or any other state or jurisdiction.
10. The applicant is seeking a restaurant license and does not provide sufficient facilities or menu items to operate as a restaurant.

Conditions On Issuance: If the Commission finds that any change in the applicant's plans is/are needed to create grounds for the issuance of such license, the Commission may require such change(s). A condition on the granting of a license and the failure of the applicant at any time to adhere to or perform such condition shall be considered a violation of this title.

Outstanding Items: None

Subject : 3.4 Update on Application from CakeFam, LLC dba This N That

Meeting : Mar 25, 2025 - Local Liquor Control Commission and Regular City Council Meeting March 25, 2025

Originating Department:

City Clerk/City Attorney

Background:

At the Local Liquor Control Commission meeting of July 23, 2024, an application for a Secondary Use Restaurant liquor license from This N' That was considered. The action was deferred to a date and time certain, that being October 22, 2024. This continuation was to provide time to rectify certain deficiencies with the application, clarity of ownership, and lease for the business and location.

Several factors contribute to the challenges in determining proper ownership of the business and the legality of the lease submitted (see attachment referencing lease agreement); Staff cannot readily provide any recommendations without resolution to the conflicting information. The information below is provided to bring the Commission up-to-date on the application process.

Patterson Industries, LLC and Daluxe LLC d/b/a This and That - Case 2024EV256 -

Case filed July 31, 2024 - Motion Hearing Scheduled for March 26, 2026

This is an eviction proceeding between the property owner and the lessee. The lessee is listed as Daluxe LLC - not CakeFam, LLC. City and State laws require the license holder to be the lessee. The City Attorney's office continues to monitor the status of this case, as the outcome would have a direct impact on the license application.

235 ILCS 5/6-2. Issuance of licenses to certain persons is prohibited.(a) Except as otherwise provided in subsection (b) of this Section and in paragraph (1) of subsection (a) of Section 3-12, no license of any kind issued by the State Commission or any local commission shall be issued to: (13) A person who does not beneficially own the premises for which a license is sought, or does not have a lease thereon for the full period for which the license is to be issued.

- Case lists Daluxe LLC d/b/a This and That, not Arelia Bradley, applicant for liquor license

- Lease is between Patterson Industries and Daluxe LLC with Ariel Farrand Keenon Farr - not CakeFam, LLC
- The most recent application is from CakeFam with Arelia Bradley as owner

2025OV35

First Appearance Date scheduled for March 28, 2025

Through Assistant City Attorney Joseph DeMond, the City Attorney's office has filed the above-referenced case concerning CakeFam, LLC failing to file food and beverage taxes with the Carbondale Revenue Office.

Communication with Applicant/Manager -

There were ongoing communications between the City Attorney's Office and Ms. Bradley and/or Ms. Bradley-Farr from April 2024 through mid-November 2024.

On November 13, 2024, at 3:15 p.m., Ebony Bradley brought in a new application with Arelia Bradley as owner and signer and Takia Holliday as additional signer. The legal entity for this application was listed as CakeFam dba This N' That. Ms. Bradley left before the initial review of the application could occur. The Clerk's Office sent the attached email to itemize some minor issues to be addressed. A background check fee, release, and identification for the new member listed on the updated application have not been received. See attachment entitled "Communication with Clerk Resubmitted Liquor License for This N That November 2024." This was the last known communication until acaller on behalf of This N'That inquired on February 14, 2025, why the license request had not been brought back before the Liquor Commission. Subsequently, emails have been received after the agendas have been published requesting the delay of this item citing illness as the cause of the request.

Update Since Continuation

Although no notification has been received from the applicant, the annual report filed earlier this month with the Secretary of State for the LLC no longer shows Takia Holliday as a member of the business entity. See attachment.

Subject : 5.5 Presentation of Illinois Law Enforcement Accreditation Program Plaque
Meeting : Mar 25, 2025 - Local Liquor Control Commission and Regular City Council Meeting March 25, 2025
Type : Procedural

Public Content

Originating Department: Mayor's Office

Background:

Accreditation is the ongoing process through which agencies assess their policies and procedures against established criteria, ensuring compliance with those criteria verified by an independent and authoritative body, the Illinois Law Enforcement Accreditation Council. The criteria, or standards, serve as policy development guidelines representing high-quality service delivery. However, the true indicator of compliance lies with an evaluation by trained, independent professional peers. Establishing meaningful and professional standards and evaluating compliance with those standards are the two fundamentals of an accreditation program.

The Tier II accreditation program is the most comprehensive, consisting of 181 standards, including administrative, operational, personnel, and training requirements. An ILEAP official carried out an onsite assessment over two days in December 2024, and the ILEAP Council awarded the accreditation to CPD in January 2025.

Currently, 65 law enforcement agencies in Illinois are ILEAP-accredited agencies. Carbondale is now among only 22 law enforcement agencies in the state to have achieved Tier II accredited status.

O'Fallon Public Safety Director and Illinois Law Enforcement Accreditation Program (ILEAP) Board Officer Kirk Brueggeman will present a plaque to Mayor Harvey for the Carbondale Police Department's achievement of Tier II accreditation.

6. Public Hearings and Special Reports

Subject :	6.1 Presentation by Southern Illinois Historic Preservation on the Northeast Quadrant Building Survey
Meeting :	Mar 25, 2025 - Local Liquor Control Commission and Regular City Council Meeting March 25, 2025
Type :	Reports
Goals :	Goal #1: Provide a high quality-of-life and foster a sense of community for all residents Goal #2: Establish programs, processes, and networks to address diversity, inclusion, equity, and justice Goal #6: Enhance residential development/rehabilitation

Public Content

Originating Department: Community Development

Background: In 2022, the City of Carbondale was awarded a \$21,000 grant from The State Historic Preservation Office of the Illinois Department of Natural Resources' Certified Local Governments matching grants program to conduct a survey of historic and architecturally significant properties within the northeast quadrant of Carbondale, Illinois. The City contributed a \$9,000 match for the grant. The purpose of the survey is to:

1. Inventory properties within the northeast quadrant of Carbondale
2. Identify architectural styles for buildings within the quadrant
3. Recommend properties and structures for potential historic designation

This survey will help guide historic preservation efforts in the city and will be incorporated into the next update of the Historic Preservation Plan.

In August of 2023, the City Council authorized the City Manager to enter into a professional agreement with Southern Illinois Historic Preservation to begin work on the survey.

City staff worked with the consultant from August 2023 to May 2024 to survey and inventory properties in the northeast quadrant of Carbondale. In total, 456 residential, commercial, public, and religious properties were inventoried by architectural style and classification. A draft of the survey was completed in May 2024 and approved by the State Historic Preservation Office in July 2024. Attached for Council review are the following:

1. Map of the survey boundaries
2. Copy of the final Northeast Quadrant Building Survey
3. Presentation of the survey results

The consultants from Southern Illinois Historic Preservation are present to provide City Council with an overview of the results of the survey. It is recommended that the City Council hear a presentation of the Northeast Quadrant Building Survey.

The activity, which is the subject of the (type of publication), has been financed (in part/entirely) with federal funds from the Department of the Interior, administered by the Illinois Department of Natural Resources. However, the contents and opinions do not necessarily reflect the views or policies of the Department of the Interior or the Illinois Department of Natural Resources, nor does the mention of trade names or commercial products constitute endorsement or recommendation by the Department of the Interior or the Illinois Department of Natural Resources.

Subject :	7.4 A Resolution Authorizing the City Manager to Submit an Application for the T-Mobile Hometown Grant Program
Meeting :	Mar 25, 2025 - Local Liquor Control Commission and Regular City Council Meeting March 25, 2025
Type :	Action (Consent)
Recommended Action :	Adopt a Resolution authorizing the City Manager to submit an application for the T-Mobile Grant Program.
Goals :	Goal #1: Provide a high quality-of-life and foster a sense of community for all residents Goal #4: Encourage progressive economic development, tourism, arts, and entertainment Goal #5: Provide high-quality City infrastructure Goal #7: Build on, expand, and develop new relationships with SIU and other regional entities Goal #8: Use the downtown master plan as a guide to revitalize the City Center

Public Content

Originating Department: Community Development

Background:

T-Mobile is accepting applications for its Hometown Grants Program. This grant is available quarterly for communities with a population under 50,000 to implement shovel-ready projects that enhance community spaces and foster local connections. Communities may receive up to \$50,000. Projects selected must be implemented within 12 months of receiving funding. The deadline for submitting applications for the first quarter is March 31, 2025.

City Staff are collaborating with staff from Carbondale Main Street to prepare an application for this grant. Staff are seeking \$50,000 in funding to install wayfinding signage along the Downtown Campus Connector multi-use bike path to improve multi-modal connectivity between the SIU campus and downtown Carbondale. This will improve the visibility of the bike path, encourage greater use of the bike path, and enhance directional wayfinding to key destinations downtown.

Wayfinding signage locations would be consistent with recommendations in the City's Wayfinding Master Plan, and address the following recommendations in the Downtown Master Plan:

1. Implement a wayfinding program to guide travelers and effectively direct movement both to Downtown Carbondale and to key destinations within the Downtown.
2. Enhance the downtown experience through the use of directional signs, maps, kiosks, and banners to create an intuitive navigational system for vehicles and pedestrians.

Additionally, funding from the grant would finance cafe lighting at three locations in downtown Carbondale. The three locations are as follows:

1. Alleyway between Aban's Kitchen and Door Christian Fellowship Church
2. Alleyway between Cristaudo's and So Ill Syndicate Downtown Gym
3. Alleyway between Rip's Brick Oven Pizzeria and Legal Smile

This will help improve the aesthetics in the downtown, improve safety, and encourage greater visitation downtown, particularly for the City's nightlife. It should be noted that two of the alleyway locations are on private property. If awarded the grant funds, the City would work with Carbondale Main Street and the property owners to approve an agreement for installing and maintaining the cafe lights.

Subject :	7.5 Award of Contract for Biosolids Management to Metro-Ag, Inc. of Breese, Illinois
Meeting :	Mar 25, 2025 - Local Liquor Control Commission and Regular City Council Meeting March 25, 2025
Type :	Action (Consent)
Recommended Action :	Award the Contract for Biosolids Management to Metro-Ag, Inc. of Breese, Illinois
Goals :	<p>Goal #3: Demonstrate fiscal responsibility and transparency while providing high-quality City services</p> <p>Goal #1: Provide a high quality-of-life and foster a sense of community for all residents</p>

Public Content

Originating Department: Public Works - Utilities

Background:

The City issued a Request for Proposals (RFP) for sludge management at the Northwest and Southeast Wastewater Treatment Plants. Biosolids are a byproduct of wastewater treatment, and must be managed properly to maintain regulatory compliance. The most environmentally responsible and economical solution is land application.

The contract requires the contractor to load, transport, and dispose of dewatered sludge from the Southeast and Northwest Wastewater Treatment Plants. The adjacent City farmland will be used, as well as other nearby farmland. If the City had to dispose of the dewatered sludge at both plants, it would have to be loaded and transported to the Jackson County Landfill for an expensive disposal fee.

The following renewal option is stated in the contract: "the term of this Contract shall be for a period of one (1) year, with an option for an additional two (2) years."

The exact amount of sludge to be processed each year varies. Approximate yearly totals are included in the RFP for competitive proposal purposes. Unit prices will be paid according to actual services rendered, and all sludge quantities will be weighed, metered, or measured as defined in the contract.

City staff has reviewed the submitted proposals, which contain multiple options for sludge management from four (4) vendors. Staff has selected Metro-Ag, Inc. due to proposing both the most practical and lowest cost method. Staff recommends that the attached contract be awarded for a term of up to three (3) years, upon mutual agreement of annual renewal, beginning on March 26, 2025, and ending on March 25, 2028.

[Goal #7: Build on, expand, and develop new relationships with SIU and other regional entities](#)
[Goal #8: Use the downtown master plan as a guide to revitalize the City Center](#)

Public Content

Originating Department: Community Development

Background:

The City of Carbondale constructed a dedicated off-street multi-use path downtown from East Main Street to Mill Street in 2016. Phase II of the multi-use path was constructed in 2017, extending the bike path from Mill Street to the path connecting the SIU Recreation Center, Towers, and SIU campus. This path provides a safer, more convenient transportation option for people walking and bicycling to/from SIU to downtown Carbondale.

In 2020, a Wayfinding Master Plan was developed for the City identifying specific locations for wayfinding signage, and branding for dedicated off-street paths existing and planned in Carbondale. The Wayfinding Master Plan identified the downtown multi-use path connecting downtown Carbondale to the SIU campus as the "Downtown-Campus Connector". A subsequent Bike Corridors Plan was completed in 2022, that also identifies this bike path as the Downtown-Campus Connector. Staff are seeking grant funding to install wayfinding signage recommended in the Wayfinding Master Plan and, as such, seek to have the multi-use path downtown formally designated as the "Downtown-Campus Connector". This would allow for consistent branding along the path and establish the route as a key anchor in the City's bike and pedestrian network.
