

Minutes, Sustainability Commission Subcommittee Meeting, 7-12-19, noon to 1 pm, Civic Center, Room 103

Commissions present: J Cogie, S Heyer, C Howe, S Metzker. & **City Council.** T Grant
Submitted by J Cogie

---Noted new Carbondale Sunrise Movement Chapter, possibly invite to one of our Commission meetings: Isaiah, Marcella, Isaiah, Rowan (sunrisemovementsoil.org)---Yes.

---Question on Composting facility—

--Ask for baseline report—how much city composting: Ask Carey Gayle, Jackson Cty Health

---Discussed obtaining Baseline on Energy use in Carbondale—and Ameren's response. Also discussed how to obtain other needed baseline data for the 5 areas of focus in the Sustainability Action Plan

---Review of areas/goals/outcomes each of us want to focus to strategies, etc. (focusing on What questions do we want answered and what examples / strategies that will help us get to the goal outcome.)

Notes on our areas of focus for research:

Sarah: Waste (composting), Water , Food

Saxon: Waste Reduction, Food

Tom: Transportation (electric and infrastructure for the electric)

Jane: Energy in buildings and transportation, green infrastructure/resilience issues

Charlie: Water and Energy in Buildings, Transportation, Food (not doing waste)

--Review of Time table/Steps draft for thinking about completing SAP

---Tentative timing of training /meeting of community group leaders

Review List of groups to invite and purpose

---Ideas for promoting greater response.

(E.G., Farmer's Market? Events? Online)
