--Sustainability Action Plan--Report out on Local Governments for Sustainability ICLEI Support for the Development of Carbondale's Sustainability Action Plan

Aug 31 ICLEI—

Jane and Sarah reviewed highlights from the ICLEI August 31 meeting, covering 3rd Milestone on vetting priorities:

David Barnes of Kirkland WA, on their steps for setting goals and actions, with a mix of short-term, middle term, long-term, with criteria.

Criteria: GHG reduction, environmental quality, Community Health and quality of life, social justice, energy consumption of the solutions (e.g., batteries recharging), Net cost (including staff time)

Process-Matrix for each proposed Action: Action subject matter, set goals, expectations vetted, city council hone actions, Experts and lived experience (3 to 5 people) residents score the action via criteria)

--Recap on Sustainability Fair, August 28, 2021, Civic Center, 1 pm to 3:30 pm and Next Steps

Attendance—47+, resending questionnaire, report outs coming in, Productiveness seems indicated

All but one breakout room report back from the 5 facilitators has been turned in. From these,

subcommittee members will create a list of ideas discussed. From there, we need to discuss further creating a matrix and worksheet for assessing the actions that have been forwarded

We also need to discuss further connecting with groups to see if they want to learn more about and submit ideas for the Plan

--**Green Spot**—Decision was made to discuss in the full Commission meeting

--**Charlie Howe's water report**—Charlie reviewed some of the main points of his report, emphasizing water as a resource in our area and the importance of taking care of it.
