AGENDA

1. Call to Order & Roll Call: Introductions

2. Approval of Minutes: Regular Meeting of July 2020

3. Presentations: None

4. Communications: Former Koppers Wood Treating Site – Current Status Report.

5. Old Business: Long Term Sustainability Plan for the City/Sustainability Action Plan, Solar Projects, Polystyrene Foam, City Composting

Solar Report

City Hall – the contractor is still working on the roof racking, DC conduit runs and wiring, and mounting the exterior equipment (optimizers) as well as some interior conduit runs. Solar panels should be arriving in the next couple of weeks, panel installation is scheduled to be complete by February 12. Public Safety Center – the foundation columns (piles) have been placed, mounting equipment and bracing is being installed on the foundation piles, conduits are being run, and equipment-mounting racks are under installation. Solar panels should be delivered in the next week or two; panel installation is scheduled to be complete on Feb 9th (pending delivery)

SEWWTP – no work has commenced yet, layout work started yesterday.

6. New Business: None

7. Citizen Comments and Questions:

8. Commission Comments:

9. Adjournment:
